EDUCATION BACKGROUND

Utah State University (Senior)
Outdoor Product Design and Development
Bachelors of Science

- Dean's List
- GPA: 3.8 Overall
- Completing 200 hour Yoga Teaching Certificate through USU and Yoga Alliance

I am a designer interested in creating to inspire an appreciation for the outdoors.

WORK EXPERIENCE

Highlander Magazine, October 2019 to August 2021
Article Writing and Content Creation

- Researched and wrote essays/op-ed pieces with accompanying photographs, involving outdoor recreation and sustainability
- Collaborated with the magazine to create social media and outreach content
- Balanced the visual and verbal by having a creative writing outlet

Parks Project, April 2021 to October 2021, Product Intern

- Worked with the team to create three potential new break-through products for upcoming seasons
- Researched ways to incorporate more sustainable practices, materials, and systems within the company
- Contributed to day to day operations by creating mocks, adding to line plans, and fulfilling wholesale image requests

Freelance Backpack Design, June 2021 to August 2021, Product Designer

- Designed a new type of Disc Golf backpack for a start-up company
- Responsible for creating a calendar of deliverables for the customers
- Completely patterned and prototyped the backpack and developed a tech pack for manufacturing purposes.

Utah State University, August 2021 to Present, Teaching Assistant

- Assistant for USU course OPDD 3030 (*Design Thinking*), assistant for USU course OPDD 1050 (*Fundamentals of Design*), and assistant for USU course OPDD 1750 (*History of Outdoor Products*)
- Responsible for assistance in course content creation and organization, grading, and providing COVID-19 accommodations

Jolly Gear, January 2022 to Present, Freelance Design

- Consulting and designing technical apparel, tech packs, and renders for communicating intent with manufacturer
- Expanding brand product line and image
